Accordingly, equine professionals and equine activity sponsors are generally not liable for damages to a person or property sustained as a result of the risks inherent in equine activities (including riding, training, grooming, and otherwise caring for and working with horses, as well as participating in equine competitions, shows and performances). I also understand that by signing this entry I have read, understand and agree to abide by all the rules and acknowledge the hazards described herein and release Copper Spring Ranch, its owners, agents and employees from liability for all injury or damages that may result from participating in this barrel race.
